

THE OUTREACH CENTER
for Deafness and Blindness

Seeking resources and support for a family member who is deaf, hard of hearing, blind, or visually impaired?

DEAF / HARD OF HEARING

BLIND / VISUALLY IMPAIRED

MedEd Connections Resource Guides:
Your one-stop source for connecting
medical and educational information.

To help families build their understanding and connect important medical and educational information, the Outreach Center for Deafness and Blindness powered by OCALI has created the *MedEd Connections Resource Guides* — one specific to deaf or hard of hearing and one specific to blind or visually impaired.

Free to access, download, and print:

Developed in partnership with experts in the field and research-based information, the *MedEd Connections Resource Guides* are your one-stop source for unbiased medical and educational information, including:

- Answers to common questions,
- A guide to understanding your rights, and
- Information about what agencies and services are available to you and your child.

By having valuable information about the resources, professionals, and service agencies at your fingertips, you can make better-informed decisions about what's best for your child.

About the Outreach Center for Deafness and Blindness at OCALI

Everything that we do at the Outreach Center for Deafness and Blindness is designed to encourage and support families with learners who are deaf, hard of hearing, blind, or visually impaired.

The way that we encourage and support learners and their families is by:

- Connecting resources,
- Providing training for professionals,
- Fostering relationships, and
- Reaching the community

We believe that learners and their families need access to the resources, training, and supports to learn, grow, and live their best lives. We strive to meet learners where they are, with what they need, when they need it.
